PROFILE

Graphic Designer with 8 years of experience creating appealing visuals for both a plush toy company and a label manufacturing company, bringing a blend of playful creativity and trend-focused design. Skilled in trim design, packaging design, branding design and social media content, with an ability to develop cohesive visual identities across multiple platforms. Detail-oriented and adaptable, with experience collaborating across teams to deliver polished, high-quality designs.

WORK EXPERIENCE

Sr. Graphic Designer

TAGTIME USA | 2018 - PRESENT

Analyzed customer artwork to meet production requirements while resolving design and production issues, including packaging design and dieline development for print-ready execution. Maintained deadlines and clear communication with sales and production teams. Assisted in presentation boards, creative trim development, and packaging layouts, and oversaw the art department in the supervisor's absence.

Graphic Designer

PENNINGTON BEAR COMPANY | 2017 - 2018

Served as both Graphic Designer and receptionist, managing front-desk operations while providing administrative and customer support. Edited and retouched photographs for the company catalog and website. Designed social media graphics to support marketing and brand consistency.

EDUCATION

B.A. Art, Graphic Design Option

California State University of Los Angeles

2013 - 2016
